How is our school doing overall?

Accountability and assistance levels		School percentile										
Our school	No level Students in this school participated in 2017 Next Generation MCAS tests	School percentiles (1-99) indicate how a school is performing overall compared to other schools that serve the same or similar grades. Our school's percentile is below. Lowest performing Highest performing										
Our district	No level Students in grades 3-8 participated in 2017 Next Generation MCAS tests											
Most schools are assigned a level from 1-5, with those meeting their proficiency gap-narrowing goals in Level 1 and the lowest performing in Levels 4 and 5. A district is typically assigned a level based on the level of its lowest performing school. Placing schools and districts into levels helps districts know which schools need more support, and helps the state know which districts need the most assistance. More information is available here: http://www.mass.gov/ese/accountability		Overall progress in narrowing gaps Massachusetts aims to reduce proficiency gaps by half between 2011 and 2017.
