

# Aitken Rockets Reach for the Stars!

**John Haidemenos, Jr. Principal**  
**David Graf, Assistant Principal**

August, 2018

Dear Mildred H. Aitken Community:

We would like to welcome all of you back to another great year at Aitken. Mr. Graf and I are looking forward to meeting you and working with all of your children. We have a wonderful school made up of caring and dedicated teachers and staff. We also want to wish Mrs. Gagliardi well as she is starting her retirement. She left our school in great shape!

Parents are extremely important partners and contribute to the success of our school. We are always looking to see more parents involved in our PTO, school events, and parent/teacher conferences. We cannot do this important work alone. You are a very integral part of your child's education. Communication is also very important. We will continue to send home monthly notices and inform you of important information through our phone and email messaging system.

We are very fortunate to be part of this wonderful learning community. Your children are amazing and possess a very keen and pure way of looking at life. This is the age to harness that excitement they have for school and ensure that they not only feel successful, but are reaching their highest potential. As teachers and leaders, we are here to help them gain confidence for success.

Finally, we are always available to meet with you. We have an open door policy and hope that we see you outside in the morning, during school, at the end of the day, and at all school events.

We hope that you and your child have a wonderful and successful school year!

Sincerely,

Mr. John Haidemenos, Jr.,  
Principal

Mr. David Graf  
Assistant Principal
